COLLEGE SAVINGS PLEDGE

I know you are saving for Create your own, and that's great! While you're saving for Create your own, I want to help you save for something we know will bring many years of happiness and success to your life—your college education. Here is a proposal: if you accomplish the actions listed below, I will contribute to a college savings plan account in your name.

I, Insert child's name, agree to Select or Create your own.
Specifically, I promise to Insert your own each Select One
to reach my goal of Create your own.

In recognition of my hard work, my Select or Create will contribute Insert dollar amount dollars to my college savings plan account.
